

# ESCAPED BURNS CAN CAUSE WILDFIRE

**Burning Season** - Open burning is NOT allowed from June 1 to October 31. A permit must be obtained to burn during that time.

**Permit** - Call your local county fire warden or sheriff for a permit.

**Watch the Weather** - Never burn if it is excessively dry or wind is in the forecast.

**Establish Firebreaks** - Rake, clear, or plow a firebreak to better control your fire and protect your assets.

**Stay With Your Burn** - Your fire is your responsibility. Stay with your fire at all times. Keep it small and controlled.

**Be Ready** - Always have a shovel, hose, and fire extinguisher, close by just in case it is needed.

**Immediately Report Out of Control Fires** - Call 9-1-1

**ONE LESS  
SPARK  
ONE LESS WILDFIRE**
