

Additional Information for the 2012 Recreation Grant Request:

- 1- **Qualification Process**—To qualify under the recreational portion of the Recreation, Arts & Parks program, an organization must: Be a public owned or operated park, campground, marina, dock, golf course, playground, athletic field, gymnasium, swimming pool, trail system, cultural facility or other facility used for recreational purposes. A privately owned or operated facility is excluded from receiving recreational RAP funding,
 - Grants may be used for to fund capital expenditures of recreational facilities or the ongoing operating expenses of these facilities. A capital expenditure is defined as a one-time purchase of an asset that improves or assists an entity in the long-term and holds its value for an extended period of time. Operating expenses are the day-to-day expenses that do not retain value over time.
