WHAT IS SUMMIT COMMUNITY GARDENS ALL ABOUT?

Summit Community Gardens is a consortium of community members and organizations who share the vision of fostering opportunities to build community and grow local, sustainable food. Last spring, we launched our first garden on the Koleman parcel off Hwy 224 just north of the Canyons Resort entrance and on the east side of the highway. Over 60 gardeners successfully grew vegetables and flowers such as carrots, lettuce, peas, potatoes, bachelor buttons, marigolds, nasturciums and so much more!
